CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING INFORMATION

Certain statements in this report contain or may contain forward-looking statements. These statements, identified by words such as "plan", "anticipate", "believe", "estimate", "should", "expect" and similar expressions include our expectations and objectives regarding our future financial position, operating results and business strategy. These statements are subject to known and unknown risks, uncertainties and other factors which may cause actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. These forward-looking statements were based on various factors and were derived utilizing numerous assumptions and other factors that could cause our actual results to differ materially from those in the forward-looking statements. These factors include, but are not limited to, our ability to secure suitable financing to continue with our existing business or change our business and conclude a merger, acquisition or combination with a business prospect, economic, political and market conditions and fluctuations, government and industry regulation, interest rate risk, U.S. and global competition, and other factors. Most of these factors are difficult to predict accurately and are generally beyond our control. You should consider the areas of risk described in connection with any forward-looking statements that may be made herein. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date of this report. Readers should carefully review this report in its entirety, including but not limited to our financial statements and the notes thereto and the risks described in our Annual Report on Form 10-K for the fiscal year ended December 31, 2010.

When used in this report, the terms, "we," the "Company," "our," and "us" refers to Hidden Ladder, Inc. a Florida corporation.

Hidden Ladder's plan is to sell wholesale only, targeting select retailers. The Company has identified four segments in the retail industry: Chain-retailers, single retailers, homebuilders, and mail order & Internet catalogs. The Company believes that based on the ability of chain-retailers to buy in bulk, this segment has the greatest opportunity. In this segment, the Company identified two categories of interest: home-improvement and safety.

Through August 31, 2010 the Company was in the development stage and has not carried on any significant operations and has generated minimal revenues. The Company has incurred losses since inception aggregating \$6,540. The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. These matters, among others, raise substantial doubt about the ability of the Company to continue as a going concern. These financial statements do not include any adjustments to the amounts and classification of assets and liabilities that may be necessary should the Company be unable to continue as a going concern.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING PRACTICES

Accounting Basis

The Company is currently a development stage enterprise reporting under the provisions of Accounting Standards Codification ("ASC") 915 "Development Stage Entities", which was previously Statement of Financial Accounting Standards ("SFAS") No. 7.

The accompanying unaudited financial statements have been prepared in accordance with generally accepted accounting principles in the United States of America for interim financial information and with the instructions to Form 10-Q and Regulation S-X. Accordingly, the financial statements do not include all of the information and footnotes required by generally accepted accounting principles for complete financial statements. In the opinion of management, all adjustments considered necessary for a fair presentation have been included and such adjustments are of a normal recurring nature. These financial statements should be read in conjunction with the financial statements for the year ended February 28, 2010 and notes thereto and other pertinent information contained in our Form S-1/A the Company has filed with the Securities and Exchange Commission (the "SEC").

The results of operations for the three-month period ending August 31, 2010 are not necessarily indicative of the results for the full fiscal year ending February 28, 2011.

8

Hidden Ladder, Inc.
(A Development Stage Company)

NOTES TO FINANCIAL STATEMENTS
(AUGUST 31, 2010)

Cash and Cash Equivalents

For the purpose of the financial statements cash equivalents include all highly liquid investments with maturity of three months or less.

Earnings (Loss) per Share

The basic earnings (loss) per share are calculated by dividing the Company's net income available to common shareholders by the weighted average number of common shares outstanding during the year. The diluted earnings (loss) per share are calculated by dividing the Company's net income (loss) available to common shareholders by the diluted weighted average number of shares outstanding during the year. The diluted weighted average number of shares outstanding is the basic weighted number of shares adjusted as of the first of the year for any potentially dilutive debt or equity. There are no diluted shares outstanding for any periods reported.

Dividends

We have evaluated events and transactions that occurred subsequent to August 31, 2010 through September 9, 2010, the date the financial statements were issued, for potential recognition or disclosure in the accompanying financial statements. Other than the disclosures above, we did not identify any events or transactions that should be recognized or disclosed in the accompanying financial statements.

10

ITEM 2. MANAGEMENT DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATION

Overview

Hidden Ladder, Inc. is a development stage company and was incorporated in Florida on February 23, 2010, to design a hidden escape ladder for homeowners. It has no operations and in accordance with ASC 915 is considered to be in the development stage.

Results of Operations

The following discussion should be read in conjunction with the condensed financial statements and segment data and in conjunction with the Company's S-1 and amended S-1/A's. Results or interim periods may not be indicative of results for the full year.

During the first three months of the fiscal year 2010 the Company was focused on preparing the documentation required to be filed with the Securities and Exchange Commission (SEC) and with the Financial Industry Regulatory Authority (FINRA). On March 25, 2010 the Company filed a Registration Form S-1 and also filed S-1/A Amendments with the SEC. The Registration Form S-1 and S-1/A Amendments were deemed effective as of August 19, 2010. Results of Operations

The Company did not generate any revenue during the quarter ended August 31, 2010.

Total expenses the three (3) months ending August 31, 2010 were \$2,003 resulting in an operating loss for the period of \$2,003. Basic net loss per share amounting to \$.001 for the three (3) months ending August 31, 2010.

General and Administrative expenses consisted primarily of filing and bank fees ~~of \$1,240~~ and professional fees for legal and accounting services were \$1,879 for the three (3) months ending August 31, 2010 respectively . .

Liquidity and Capital Resources

At August 31, 2010 we had working capital of \$2,460 consisting of cash on hand of \$3,110 net of accounts payable as compared to working capital of \$5,400 at February 28, 2010 and cash of \$9,000.

Net cash used in operating activities for the six months ended August 31, 2010 was \$5,890 and \$5,890 for the period from inception on February 23, 2010 through August 31, 2010.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK.

Not Applicable

reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with accounting principles generally accepted in the United States of America and includes those policies and procedures that:

- Pertain to the maintenance of records that in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of the company;
- Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with accounting principles generally accepted in the United States of America and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate. All internal control systems, no matter how well designed, have inherent limitations. Therefore, even those systems determined to be effective can provide only reasonable assurance with respect to financial statement preparation and presentation. Because of the inherent limitations of internal control, there is a risk that material misstatements may not be prevented or detected on a timely basis by internal control over financial reporting. However, these inherent limitations are known features of the financial reporting process. Therefore, it is possible to design into the process safeguards to reduce, though not eliminate, this risk.

As of August 31, 2010 management assessed the effectiveness of our internal control over financial reporting based on the criteria for effective internal control over financial reporting established in Internal Control--Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission ("COSO") and SEC guidance on conducting such assessments. Based on that evaluation, they concluded that, during the period covered by this report, such internal controls and procedures were not effective to detect the inappropriate application of US GAAP rules as more fully described below. This was due to deficiencies that existed in the design or operation of our internal controls over financial reporting that adversely affected our internal controls and that may be considered to be material weaknesses.

12

The matters involving internal controls and procedures that our management considered to be material weaknesses under the standards of the Public Company Accounting Oversight Board were: (1) lack of a functioning audit committee due to a lack of a majority of independent members and a lack of a majority of outside directors on our board of directors, resulting in ineffective oversight in the establishment and monitoring of required internal controls and procedures; (2) inadequate segregation of duties consistent with control objectives; and (3) ineffective controls over period end financial disclosure and reporting processes. The aforementioned material weaknesses were identified by our Chief Executive Officer in connection with the review of our financial statements as of August 31, 2010.

Management believes that the material weaknesses set forth in items (2) and (3) above did not have an effect on our financial results. However, management believes that the lack of a functioning audit committee and the lack of a majority of outside directors on our board of directors results in ineffective oversight in the establishment and monitoring of required internal controls and procedures, which could result in a material misstatement in our financial statements in future periods.

Management's Remediation Initiatives

In an effort to remediate the identified material weaknesses and other deficiencies and enhance our internal controls, we have initiated, or plan to

initiate, the following series of measures:

We will create a position to segregate duties consistent with control objectives and will increase our personnel resources and technical accounting expertise within the accounting function when funds are available to us. And, we plan to appoint one or more outside directors to our board of directors who shall be appointed to an audit committee resulting in a fully functioning audit committee who will undertake the oversight in the establishment and monitoring of required internal controls and procedures such as reviewing and approving estimates and assumptions made by management when funds are available to us.

Management believes that the appointment of one or more outside directors, who shall be appointed to a fully functioning audit committee, will remedy the lack of a functioning audit committee and a lack of a majority of outside directors on our Board.

We anticipate that these initiatives will be at least partially, if not fully, implemented by August 31, 2011. Additionally, we plan to test our updated estimates a

EXHIBIT 31.1

RULE 13A-14(A)/15D-14(A) CERTIFICATION

I, David Johnson, certify that:

1. I have reviewed this quarterly report on Form 10-Q for the period ended August 31, 2010 of Hidden Ladder;

2. Based on my knowledge, this report does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in light of the circumstances under which such statements were made, not misleading with respect to the period covered by this report;

3. Based on my knowledge, the financial statements, and other financial information included in this report, fairly present in all material respects the financial condition, results of operations and cash flows of the registrant as of, and for, the periods presented in this report;

4. The registrant's other certifying officer(s) and I are responsible for establishing and maintaining disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) and internal control over financial reporting (as defined in Exchange Act Rules 13a-15(f) and 15-d-15(f)) for the registrant and have:

a. Designed such disclosure controls and procedures, or caused such disclosure controls and procedures to be designed under our supervision, to ensure that material information relating to the registrant, including its consolidated subsidiaries, is made known to us by others within those entities, particularly during the period in which this report is being prepared;

b. Designed such internal control over financial reporting, or caused such internal control over financial reporting to be designed under our supervision, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles;

c. Evaluated the effectiveness of the registrant's disclosure controls and procedures and presented in this report our conclusions about the effectiveness of the disclosure controls and procedures, as of the end of the period covered by this report based on such evaluation; and

d. Disclosed in this report any change in the registrant's internal control over financial reporting that occurred during the registrant's most recent fiscal quarter (the registrant's fourth fiscal quarter in the case of an annual report) that has materially affected, or is reasonably likely to materially affect, the registrant's internal control over financial reporting; and

5. The registrant's other certifying officer(s) and I have disclosed, based on our most recent evaluation of internal control over financial reporting, to the registrant's auditors and the audit committee of the registrant's board of directors (or persons performing the equivalent functions):

a. All significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely affect the registrant's ability to record, process, summarize and report financial information; and

b. Any fraud, whether or not material, that involves management or other employees who have a significant role in the registrant's internal control over financial reporting.
